Welcome to the Church of Scientology Celebrity Centre International

Scientology exists to provide help — help for all people — at every strata of life, of every disability or ability and across all ethnic and religious boundaries. Borne out of this desire to help are the many social betterment activities Scientology supports.

[\(continued »\)](#)

What Is Scientology?

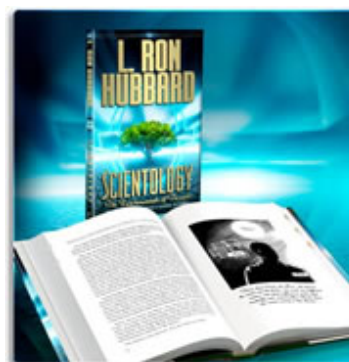

Introduction to the Scientology Religion

The word Scientology literally means "the study of truth." It comes from the Latin word "scio" meaning "knowing in the fullest sense of the word" and the Greek word "logos" meaning "study of." Scientology is the study and handling of the spirit in relationship

to itself, others and all of life. The religion comprises a body of... [\(continued »\)](#)
